WHAT IS TOASTMASTERS?

Toastmasters International is a nonprofit, educational organisation with more than 16,800 clubs in 143 countries.

Since 1924, it has helped its members become more effective speakers, communicators, and leaders through a worldwide network of clubs, much like Rotary.

WHAT IS THE ALLIANCE?

Two organisations with a long history, global impact, and proven track record of helping people

And now they have something else in common:

They are teaming up to strengthen their members' skills and broaden their opportunities

The Toastmasters-Rotary alliance will leverage the strengths of both organisations to help members grow personally and professionally

WHAT IS THE ALLIANCE?

Toastmasters will begin delivering eight educational courses tailored to members of Rotary and Rotaract

The phased rollout of the eight courses will help Rotarians develop and hone their leadership and communication skills

WHAT IS THE ALLIANCE?

Toastmasters members, in turn, can benefit from connecting with Rotarians—1.2 million members in nearly every country in the world—and learning from the organisation's model of humanitarian service

Members can use their communication skills to impact their communities
